

JOURNEYMAN

B A S K E T B A L L

SESSION START

* ALL ATHELTES must submit a letter of physical readiness. Your child's physician is aware of this form. It must be less than one year old and signed by a physician. Please provide a copy and **not the original**.

* The first 10-14 days of a Journeyman session there are no games. (except Senior Division) Fundamentals and evaluations are conducted during this time. When the game schedule starts, fundamental drills are executed before the game.

* Special requests are often made for team placement. Although not guaranteed, we understand this supports the ease of transportation. These requests must be e-mailed directly to staff using info@journeymanbasketball.com.

ATHLETE RESPONSIBILITIES

- * Be ready to provide maximum focus and effort every time they attend a Journeyman event.
- * Being aware of schedule changes by following the online calendar.
- * Writing a Thank You Letter to someone special in their life and providing a copy to Journeyman staff to validate their eligibility to participate.
- * Arriving on time and ready to play (shoes on and stretched) at posted practice start time.
- * Bringing their own source of hydration to the bench and not being waited on by parents during games.
- * Communicating about their attendance. (late, absent and leaving early) All e-mails in this regard should be sent to info@journeymanbasketball.com.

Please help us hold your student athlete accountable for his or her responsibilities.

WELCOME TO THE PROGRAM

ONLINE CALENDAR / SOCIAL PLATFORMS

* The online calendar at the beginning of a session is traditionally bare until registration is closed and we are aware of program size. Within a week after start date the schedule will start to populate.

* On your game schedule, you will see **ETO**. ETO stands for Estimated Tip Off. This allows family and friends to plan so they can watch the game.

* There are rare "game only" days.

This is annotated on the schedule with the letters **GO**. This means the team will stretch, get brief time with game coaches and begin the game.

* Pictures, schedule updates and important notices are often shared on Instagram ([journeymanbasketballnh](https://www.instagram.com/journeymanbasketballnh)) and Facebook. Please follow us to ensure you are in the loop.

EQUIPMENT NEEDED

Besides your everyday basketball needs like non-marking sneakers and appropriate hydration, there are a few things needed to participate in Journeyman games.

- * Uniform Shorts - These can be purchased online and they are your property.
- * Uniform Jersey - This sponsored jersey, has a unique control number. Your athlete is responsible for its care. This is collected by staff at the end of every session. If lost there will be a replacement fee to ensure Journeyman can retain good supply. Any other Journeyman "swag" is typically for sale or can be specially ordered. Watch for apparel sale days posted on the online calendar.
